CAR WASH SYSTEMS™

**PERFECT FOR AUTO DEALERS & RETAIL CENTERS**

With peak precision, our one-and-only touch-free system reduces water waste – and is better for the environment. Accommodating vehicles up to 90” tall and 122” wide, the electric eye sensors establish a vehicle’s profile, and then the system delivers a fast, economical, precise wash. From the day you decide to partner with us, through the entire lifetime of your investment, our capable team stays by your side. Rest assured that our craftsmanship is so trusted that we rank among the car wash industry leaders.

## AN UNCOMMON CLEAN

Thanks to our nose and tail creep feature, your customers’ cars will get adequate time spent on those usually hard-to-clean automobile areas. Comes with 20 zerodegree oscillating nozzles, in the gantry, blasts wheels & rocker panels.

## THE AUTEC EXPERTS

Your success is our success. From discussion to installation to ongoing guidance, our experts are with you for the long haul.

## ★ FIVE-STAR FEATURE SET

In addition to the included chemical tire applicator and on-board heated pre-soak you get an impressive selection of profitable add-ons, such as our undercarriage wash, triple foam, and bug buster.
