

**After 10 Years of "Hi-Tech" Service,
It Was Time For A Face Lift!**

SOUTHERN NEW JERSEY'S NEWLY RENOVATED CAR WASH

Dual Bays Completely Outfitted With AUTECH Equipment

"If you are not completely satisfied with our car wash service, we will do whatever it takes to make it right. The RISE and SHINE Car Wash team is never happy until our customers are happy." David Rennie, RISE and SHINE Car Wash President

RISE and SHINE Car Wash, formerly Rennie's Auto Spa, continues to provide Berlin, New Jersey motorists one-of-a-kind professional and comprehensive car wash services. The 'hi-tech' car wash facility features two AUTECH EV-1 Evolution car wash systems that offer three different wash packages: the comprehensive **PREMIUM Wash** with Turtle Wax Ice along with Triple Foam Bath and Bug Buster, **PLUS Wash** with Turtle Wax Ice, and the basic **REGULAR Wash**. All three washes are combination high pressure with soft touch technology applications. The site also features 10 "covered" vac and detail islands utilizing the latest in coinless payment technology. The all-glass structure keeps customers feeling safe and returning time after time for all of their car washing needs.

David C. Rennie, owner of **RISE and SHINE** states, "Our top priority is making our customers happy. If you are not completely satisfied with our car wash service, we will do whatever it takes to make it right. The **RISE and SHINE Car Wash** team is never happy until our customers are happy."

Our customers constantly remark about the wash quality provided by our AUTECH EV-1 units
